## Patient Information and Instructions

### What to expect

The Pediatric Specialties staff look forward to meeting and working with you and your child. To help you prepare for your child's visit here's what you need to know:

Unless otherwise instructed, you do not need to fast prior to this appointment.

#### Registration

Please bring the following items with you to your child's appointment:

- Driver's License or personal identification and insurance card of the guarantor
- Your child's current medications
- A list of your child's allergies (medication, food, etc.)

#### Testing

After registration, a nurse will interview you about your child's health history, provide you with further instructions, and discuss how to prepare your child for one or more of the following tests:

- Blood work
- Urine test
- Pulmonary Function Test
- ECHO LAB
- EKG
